<b>SCFHS Accredited Training Programs</b>					
Total Number:		Full Programs:		Shared Programs:	

A. INSTITUTIONAL STRUCTURE					
The Saudi Commission for Health Specialties (SCFHS) accredits Training Programs at Healthcare Institutions that have received and maintained the SCFHS Institutional Accreditation. There must be a suitable Institutional Structure in place for the conduct of Training Programs.					
STANDARD	Met	P. Met	Not Met	NA	Comments
<b>1. Designated Institutional Official (DIO)*</b>					
1.1 He/she is a consultant who has experience in Training & Education (with minimum three years of experience). (ETR1)					
1.2 He/she has a Health Professional background with Teaching and Administrative Experience. (ETR2)					
1.3 Has been delegated the full authority and responsibility over all SCFHS-Accredited Training Programs at the Institution (Academic, Training and Financial). (ETR1)					
1.4 Responsible for the overall conduct and supervision of training in the Institution. (ETR1)					
1.5 Establish and implement procedures to ensure that the full Delegation of Authority of the DIO to his/her designee for all DIO duties in case of his/her absence. (ETR1)**					
1.6 Institution ensures that the DIO has sufficient financial support and protected time to effectively carry out the administrative and training responsibilities of the Institution. (ETR1)					
1.7 Institution is accredited by CBAHI (or equivalent) and has it maintained during the full SCFHS Accreditation Cycle. (ETR1)**					
1.8 Training Faculty Qualifications					
1.8.1. SCFHS Certification as Consultants (or Specialists for certain Disciplines). (ETR1)					

\*(DIO): The Individual who has the authority and responsibility for all the SCFHS-Accredited Training Programs at this Healthcare Institution.

\*\*Must have Evidence of Document.

(ETR1): Essential Training Requirement 1 (Mandatory).

(ETR2): Essential Training Requirement 2 (Highly Recommended).

1.8.2. Certified as Trainers. (ETR2)					
1.8.3. Credentialing and Privileging Process is present at the Institution. (ETR1)					
1.8.4. Valid SCFHS Registration and Classification. (ETR1)					
1.8.5. Valid Malpractice Insurance. (ETR1)					
1.8.6. Training is an Integral Part of their Job Description. (ETR2)					
1.9 Institution Organizational Chart representing the system that oversees the Training Programs in the Institution. This chart should provide a graphic representation showing the DIO chairing the Institution Training Committee (ITC). (ETR1)**					

STANDARD	Met	P. Met	Not Met	NA	Comments
<b>2. Institution Training Committee (ITC)</b>					
2.1 Develops and reviews all aspects of Training carried out within the Institution. (ETR1)					
2.2 A Statement of Commitment written by the Institution's Governance (Dean, Executive President, Chief Executive Officer, Chairman of the Board of Directors, or Equivalent) that documents the Institution's commitment to provide the necessary Educational, Financial, and Human Resources Support for the SCFHS-Accredited Training Programs. (ETR1) **					
2.3 Chaired by the DIO. (ETR1)					
2.4 The Institution Training Committee (ITC) and the Training Programs' Committees (TPC) meet at least quarterly, and have their minutes kept. (ETR1)**					
2.5 The ITC submits Training Programs Annual Report to the Governance of the Institution. The Report includes the evaluation of the Training Programs' Supervision Requirements, and Performance. (ETR2)**					
<b>2.6 The ITC Members should include:**</b>					
2.6.1 All Appointed Program Directors of the SCFHS-Accredited Training Programs in the Institution. (ETR1)					

\*(DIO): The Individual who has the authority and responsibility for all the SCFHS-Accredited Training Programs at this Healthcare Institution.

\*\*Must have Evidence of Document.

(ETR1): Essential Training Requirement 1 (Mandatory).

(ETR2): Essential Training Requirement 2 (Highly Recommended).

2.6.2 Representative of the Medical Affairs Administration. (ETR1)					
2.6.3 At least One Elected Trainee by his/her peers. (ETR1)					
<b>STANDARD</b>	Met	P. Met	Not Met	NA	<b>Comments</b>
<b>3. The ITC oversee all aspects of Training</b>					
3.1 The ITC establishes and supervises the implementation of all Training related Policies and Procedures. (ETR1)					
3.2 The ITC has and maintains appropriate cooperation with the Training Programs' Directors and Committees and the Medical Administration of all the affiliated sites. (ETR1)					
3.3 The ITC oversees and monitors the conduct of each Program through regular Internal Review (IR) of each SCFHS-Accredited Training Program. (ETR1)**					
3.3.1 The IR for all Training Programs occur at least once during the Accreditation Cycle. (ETR2)					
3.3.2 The ITC reviews each Internal Review Report and determine action plan and follow-up as necessary. (ETR2)					
3.3.3 The IR Team includes at least one Training Staff Member, one Trainee of the same Specialty and one External Reviewer from a different Specialty and/or Institution. (ETR2)					
3.3.4 The IR team utilizes the latest SCFHS Training Program Accreditation Standards Form, as made available at the SCFHS Website. (ETR2)					
3.4 The ITC ensures the appropriate distribution of the resources necessary for the Training Programs:					
3.4.1 Sufficient Financial Support. (ETR1)					
3.4.2 Sufficient Resources (Staff, Protected Time, Space, Technology and Supplies). (ETR1)					
3.4.3 E-Library access for all Trainees and Trainers. (ETR1)					
3.5 The ITC has and implements Policies for the Selection, Assessment, Promotion, Appointment and Dismissal of the Trainees in all Programs. (ETR1)**					

\*(DIO): The Individual who has the authority and responsibility for all the SCFHS-Accredited Training Programs at this Healthcare Institution.

\*\*Must have Evidence of Document.

(ETR1): Essential Training Requirement 1 (Mandatory).

(ETR2): Essential Training Requirement 2 (Highly Recommended).

3.6 The ITC has and maintains an Appeal Policy for Trainees for matters related to the Training Decisions. (ETR1)**					
3.7 The ITC ensures a proper Training Environment free of Intimidation, Harassment and Abuse with Mechanisms in place to deal with such issues as they arise. (ETR1)**					
3.8 The ITC has a Policy governing Trainees' Safety related to Travel, Patient Encounters, including On- Calls, after-hours Consultations in Isolated Departments and Patient Transfers. (ETR1)**					
3.9 The ITC has a Policy that addresses Administrative Support for Training Programs in the event of a Disaster or Interruption in Patient Care. This Policy should Include assistance for Continuation of Training. (ETR2)**					
3.10 The ITC has and Implements a Supervision of Training Policy in order to Protect and Preserve the best interests of the Patients, the Attending Clinicians and the Trainees. (ETR1)**					
3.11 The Supervision of Training Policy regulates the Direct and In-Direct Supervision of the Faculty Trainers during the Patient Encounters and Procedures performed by the Trainees, where all Trainees are Supervised by Credentialed and Privileged Trainers. (ETR1)**					
3.12 The Supervision of Training Policy regulates the Assurance and Assessment of Progressive Competence of the Trainees for Graduating Responsibilities. (ETR1)**					
3.13 A Mechanism of Disclosure of the fact that the Trainees are involved in Patient Care and that Patient Consent for such participation is obtained. (ETR2)**					
3.14 The ITC ensures that all Training Programs teach and assess the Trainees' Competencies utilizing a Competency Framework (CanMEDS, ACGME, Others) as defined in the SCFHS Curricula. (ETR1)**					
3.15 The ITC ensures that there are adequate opportunities for Training Faculty Development including activities to assist staff in teaching, assessing and mentoring Trainees' Competencies. (ETR1)**					
3.16 The Institution has a Policy that addresses a reduction in size or closure of a Training Program. (ETR1)**					
3.17 The Institution has a policy regarding accommodation that would apply to Trainees with Disabilities. (ETR2)**					
3.18 The Institution provides Trainees Contract, which describes the Benefits of Appointment including: Terms, Conditions, Financial Benefits, Vacations, Professional Liability, Hospitalization, Health Insurance provided for Trainees and Families, On- Call Rooms, Meals, Laundry Services, etc). (ETR2)**					
3.19 The Institution Complies with the SCFHS Duty Hours Policy. (ETR1)**					

\*(DIO): The Individual who has the authority and responsibility for all the SCFHS-Accredited Training Programs at this Healthcare Institution.

\*\*Must have Evidence of Document.

(ETR1): Essential Training Requirement 1 (Mandatory).

(ETR2): Essential Training Requirement 2 (Highly Recommended).

3.20 Institution should facilitate Trainee access to Well- Being Program, Confidential Counselling, Medical and Psychological Support Services. (ETR2)					
3.21 There is a Process of Documentation and Monitoring of Trainees, Trainers and PDs Files. (ETR2)					
3.22 There is a Process to organize and monitor Academic Half-Days. (ETR2)					
3.23 Available Access to:					
3.23.1 Adequate On-Call Rooms for All Male and Female On-Call Trainees and Trainers who are mandated for in-house On-Calls, properly furnished, maintained and equipped (ETR1) <b>Must Be Visited During the Survey</b>					
3.23.2 Shower Area. (ETR2)					
3.23.3 Lounge, Office and Secure Lockers. (ETR2)					
3.23.4 Dining Facility. (ETR2)					
3.23.5 Vending Machine. (ETR2)					
3.23.6 Parking. (ETR2)					
3.23.7 Wi-Fi. (ETR2)					
3.24 Institutional Statement or Policy that addresses the Interaction between Vendors'/Companies' Representatives with the Trainees, Trainers, Program Directors and Training Programs. (ETR2)**					
3.25 The ITC submits The Training Programs Annual Report to the SCFHS. (ETR2)**					

<b>B. TRAINING SITES</b>					
<b>Training Centers and Participating Sites, including Community-Based Clinical Practices, Participating in the Training Programs, must have a Documented Commitment to Training, Quality and Safety of Patient Care.</b>					
<b>STANDARD</b>	<b>Met</b>	<b>P. Met</b>	<b>Not Met</b>	<b>NA</b>	<b>Comments</b>
1. Clinical Services that are participating for Training must be organized to promote their Educational Function.					

\*(DIO): The Individual who has the authority and responsibility for all the SCFHS-Accredited Training Programs at this Healthcare Institution.

\*\*Must have Evidence of Document.

(ETR1): Essential Training Requirement 1 (Mandatory).

(ETR2): Essential Training Requirement 2 (Highly Recommended).

1.1 Sufficient Number of Qualified & Competent Clinical Staff for Training & Supervision. (ETR1)					
1.2 Adequate Number & Variety of Patients, Clinical and Technical Resources to support Training needs. (ETR1)					
1.3 Simulation Training. (ETR2)					
1.4 Access to Computers, On-Line Guidelines and Health Information System Accessible 24/7. (ETR2)					
1.5 Adequate Space for Daily Work. (ERT2)					
1.6 Adequate & Suitable Classrooms & Conference Rooms. (ETR2)					
1.7 Private Office for Program Directors (ETR1)					
1.8 Adequate Program Directors, Trainers and Trainees Administrative Secretarial Support. (ETR1)					
1.9 Access to Facilities for Direct Observation of Clinical and/or Procedural Skills and Private Space for Confidential Discussions.(ETR2)					
1.10 Educational Activities.					
1.10.1 Hospital Lectures. (ETR1)					
1.10.2 Morning Report. (ETR1)					
1.10.3 Grand Rounds. (ETR1)					
1.10.4 Journal Club. (ETR1)					
1.10.5 Mortality & Morbidity Meetings. (ETR1)					
2. Appropriate Supervision of the Trainees by the Training Faculty at each Training Site. (ETR1)					

\*(DIO): The Individual who has the authority and responsibility for all the SCFHS-Accredited Training Programs at this Healthcare Institution.

\*\*Must have Evidence of Document.

(ETR1): Essential Training Requirement 1 (Mandatory).

(ETR2): Essential Training Requirement 2 (Highly Recommended).

3. The Training Programs must be supported by active Teaching in other Disciplines related to the Specialty or Sub-Specialty in order to foster appropriate Multi-Disciplinary Exposure. (ETR1)					
4. All Teaching Sites should provide the Trainees with Opportunities to work with other Healthcare Professionals, and where possible to be involved at teaching Students and Junior Trainees, and learn the Competencies required for Collaborative Practice. (ETR1)					
5. Quality Department is available, where Trainees Participation In Quality Improvement and Patient Safety Projects is encouraged and monitored. (ETR1)					
6. Program and Rotation Specific Orientation for all Trainees Prior to the start of Training. (ETR1)					
<b>STANDARD</b>	Met	P. Met	Not Met	NA	<b>Comments</b>
7. Healthcare Institution Committees					
7.1 Quality Management Committee. (ETR2)					
7.2 Mortality and Morbidity Committee. (ETR2)

7.4 Patient Safety Committee. (ETR2)					
7.5 Credentialing & Privileging Committee.(ETR2)					
7.6Ethics & Patient Right Committee. (ETR2)					
7.7 Disaster Committee. (ETR2)					
8. General Orientation to the Trainees					
8.1 Quality and Patient Safety. (ETR1)					
8.2 Infection Control. (ETR1)					

\*(DIO): The Individual who has the authority and responsibility for all the SCFHS-Accredited Training Programs at this Healthcare Institution.

\*\*Must have Evidence of Document.

(ETR1): Essential Training Requirement 1 (Mandatory).

(ETR2): Essential Training Requirement 2 (Highly Recommended).

8.3 Medication Safety. (ETR1)					
8.4 Ethics and Patient Rights. (ETR1)					
8.5 Departmental & Unit Orientation (Medical Records, OR, ER). (ETR1)					
9. Participating Sites ensure the Trainees Safety					
9.1 Environmental Toxins. (ETR1)					
9.2 Exposure to Infectious Agents. (ETR1)					
9.3 Radiation Safety. (ETR1)					
9.4 Violence. (ETR1)					
10. All Participating Training Sites Keep Accurate and Complete Medical Records on all Patients. Hospitals ensure that the Trainees Comply with Established Institutional Guidelines for Chart Completion. Trainees have access to Medical Records (Order Entry, Progress Notes) in Direct Care of Patients.(ETR1)					
11. All Participating Training Sites are Accredited for Patient Care.(ETR1)					

### C. LIAISON BETWEEN THE INSTITUTION AND PARTICIPATING SITES

**The Participating Site as defined by the SCFHS must have sufficient resources including Training Faculty, the Number and Variety of Patients, Physical and Technical Resources, as well as the supporting facilities and services necessary to provide the opportunity for all Trainees in the Program to achieve the Training Objectives and receive full Training as defined by the SCFHS Training Requirements.**

STANDARD	Met	P. Met	Not Met	NA	Comments
1. The list of Training Sites of the Healthcare Institution must be updated whenever there is a change. (ETR1)					
2. There must be Inter-Institutional Affiliation Contract or Agreement between the Institution and each Training Site that is outside the Governance of the Healthcare Institution, when offering a Mandatory Component of a Training Program, indicating the Formal Commitment between the parties, to support the Training Programs. (ETR1)**					

\*(DIO): The Individual who has the authority and responsibility for all the SCFHS-Accredited Training Programs at this Healthcare Institution.

\*\*Must have Evidence of Document.

(ETR1): Essential Training Requirement 1 (Mandatory).

(ETR2): Essential Training Requirement 2 (Highly Recommended).

3. Training Faculty must hold an appointment acceptable by the SCFHS, the Healthcare Institution and the Training Site.					
3.1 Consultants. (ETR1)					
3.2 Senior Registrars, Senior Specialists. (ETR1)					
3.3 Registrars or Specialists. (ETR1)					

<b>D.Medical Services</b>
