

## SAUDI FELLOWSHIP TRAINING PROGRAM

### PEDIATRIC UROLOGY

#### Final Written Examination

##### **Examination Format:**

The Saudi subspecialty fellowship and diplomas final written examination shall consist of one paper with 80-120 Single Best Answer MCQs. Up to 10% unscored items can be added for pretesting purposes.

##### **Passing Score:**

The passing score is 70%. However, if the percentage of candidates passing the examination before final approval is less than 70%, the passing score must be lowered by one mark at a time aiming at achieving 70% passing rate or 65% passing score whichever comes first. Under no circumstances can the passing score be reduced below 65%.

**Blueprint Outlines:**

No.	Sections	Percentage
1	Kidney	24%
2	Ureter	19%
3	Basic science <sup>1</sup>	10%
4	Bladder and urethra	23%
5	Sexual development	19%
6	Evidence based medicine	5%
<b>Total</b>		<b>100%</b>

\*Basic science<sup>1</sup>: (Anatomy, Embryology)

**Note:**

- Blueprint distributions of the examination may differ up to +/-5% in each category.
- Percentages and content are subject to change at any time. See the SCFHS website for the most up-to-date information.
