

# The 5th Saudi Health Simulation Conference 2022

November 06 - 10, 2022  
Crowne Plaza RDC Hotel & Convention, Riyadh

[Register Now](#)

**Under the Patronage of His Excellency Minister of Health  
We are pleased to announce  
the 5th Saudi Health Simulation Conference 2022**

Healthcare Simulation and Beyond:  
Passion, Purpose, People

## About SHSC

The Saudi Health Simulation Conference is the premier platform for the optimal and unique healthcare simulation practices in the Middle East to meet the passion of healthcare professionals. The 5th Saudi Health Simulation Conference will host premier national & international speakers, health simulation professionals and exhibitors, both national and international, showcasing the latest practices and technologies in healthcare simulation.

This event will be addressing educational content delivered through CME accredited conference tailored to healthcare simulation professionals, students and private sectors.

Have the benefit from the expansion in the Healthcare industry and acquire the rewards of unparalleled exposure to key decision makers, government authorities, and high net worth investors from the KSA and Abroad.

## The 5th SHSC Welcome Message

**Mr. Abdulrahman A. Alaiban**  
Chairman of the Supreme Committee,  
Deputy Minister for Human Resources,  
Ministry of Health

After an extraordinary pause for two consecutive seasons, here we are again with an updated look, pleased to announce the launching of the fifth edition of The Saudi Health Simulation Conference (SHSC2022). It is the pleasure of the Ministry of Health in Saudi Arabia to invite you in this regional unique conference to build bridges of cooperation with the specialized and distinguished national and international authorities and institutions in the field of healthcare education.

We are confident that this conference will enhance the integration of the health education and training system with healthcare transformation projects in the Kingdom of Saudi Arabia. In addition to its leading role in ensuring professionalism and efficiency, which will contribute to providing a safe and high-quality medical service that keeps pace with the steps of progress and prosperity witnessed in the Kingdom of Saudi Arabia in light of Vision 2030.

## Conference Domains

- Optimizing the utilization of healthcare simulation in education, research, and assessment
- Promoting the impact of healthcare simulation applications on healthcare quality and patient safety
- Trends in healthcare simulation administration
- Evolution and innovations in healthcare Simulation
- Expanding the potential of healthcare simulation in supporting the future of healthcare

## Targeted Participants

- Healthcare Professionals
- Healthcare Researchers and Educators
- Healthcare Leaders
- Simulation Lab Coordinators and Technicians
- Students
- Healthcare Quality and Safety Officers
- Battlefield Medicine
- Programmers and Technology Developers
- Innovators (Individuals, Profit, and Non-Profit Organizations)
- Investors in Healthcare Simulation

## Keynote International Speakers

**Dr. Haru Okuda**  
Executive Director, Center of  
Advanced Medical Learningband Simulation

**Dr. Francisco Maio de Matos**  
President of SESAM  
(Society in Europe for Simulation in Healthcare)

**Dr. Benjamin Smallheer**  
Associate Professor at  
the Duke University

**Dr. Dinker Ramananda Pai**  
President of the Pan Asia  
Simulation Society in Healthcare

**Mr. Ferooz Sekandarpour**  
Simulation Technology Specialist at Faculty  
of Medicine University of British Columbia

**Robert MacAulay**  
Director of Simulation Education  
UCSD School of Medicine

**Dr. Marcus Rall**  
Founder & CEO InPASS Institute  
for Patient Safety & Team training

**Minara Chowdhury**  
Senior Director Institute for  
Healthcare Improvement

**Prof. Alan Liu**  
Director – Virtual Medical Environments

**Dr. Ashokka Balakrishnan**  
Consultant Anaesthesiologist and  
Simulation Program Director

**Dr. Charles Pozner**  
Chief Medical Officer  
Harvard Medical School.

**Dr. Christopher Eric McCoy**  
Base Hospital Medical Director

**Debra Nestel**  
Professor of Simulation Education  
in Healthcare

**Prof. Deborah D Navedo**  
Director of Education  
BWH STRATUS Simulation Center

**Dr. Elaine C. Meyer**  
Senior Attending Psychologist  
Boston Children's Hospital

**Dr. Houd Alabri**  
Vice President for Academic Affairs  
Oman Medical Specialty Board

**Mr. Ken Spearpoint**  
Principal Lecturer in medical simulation  
at the University of Hertfordshire

**Prof Dr. Ismail Saiboon**  
Vice President, Pan Asian Simulation Society  
in Healthcare (PASSH)

**Dr. Scott Crawford**  
Director – Training and Educational Center  
for Healthcare Simulation (TECHS)

**Dr. Hani Lababidi**  
Senior Consultant in Pulmonary and  
Critical Care Medicine at King Fahad Medical City  
(KFMC) in Riyadh, Saudi Arabia and  
Sanford Health in Fargo, ND, USA

**Dr. Selma Alqattan**  
Chief of Emergency Medicine and EMS  
Kuwait Hospital

**Mr. Lance Baily**  
Founder & CEO of the World's  
Leading Healthcare Simulation Resource

**Prof. Karen Knapp**  
Head of Medical Imaging,  
Faculty of Health and Life Sciences,  
University of Exeter.

**Dr. Muna Al-Musleh**  
MD, FRCP, CABFM  
Emergency Medicine Consultant  
FIFA World Cup™ Albaty stadium  
Medical Venue manager

**Dr. Narendiran Krishnasamy**  
UN CONSULTANT FOR  
"SIMULATION TRAINING CENTERS"

**Dr. Sayaka Oikawa**  
MD, MHPE  
Assistant Professor at the Center for  
Medical Education and Career Development  
Fukushima Medical University, Japan

**For Innovative Ideas & Initiatives**  
submit your proposal to:  
[shsc@moh.gov.sa](mailto:shsc@moh.gov.sa)

# COMPETITIONS & AWARDS

## MOULAGE COMPETITION

The level of realism in a simulation has a significant impact on how engaged students are and how well they learn.

Moulage is intended to increase the authenticity and realism of clinical simulations, hence resulting in an improved learning experience.

### Eligibility:

- Simulation Educators
- Simulation Technicians
- Undergraduate and Postgraduate Trainee

Submit a short video to show your talent of making moulage and apply today for a chance to win the prizes.

01	5000 SR
02	4000 SR
03	3500 SR
04	3000 SR
05	2500 SR

### ACADEMIC PARTNERS

Sponsored by:  
Three Tree

In collaboration with:

Saudi Society of Dermatology and Dermatologic Surgery

Saudi Scientific Association of Plastic Surgery and Burns

For more information and application:  
[shsc.sa](http://shsc.sa)

Submission is OPEN till 30/10/2022

## THE FIRST SIMULATION HACKATHON

**Are you ready for the first healthcare simulation hackathon?**

Join us in our 3-days hackathon under the umbrella of the Ministry of Health.

Approach us with your passion and we will present you with a business challenge to solve in 48-hours.

### Target:

Anyone with ideas to solve problems in healthcare using simulation

### Hackathon streams:

- 01 Simulation in Medical Education and Training
- 02 Simulation in Patient Experience Improvement

### Hackathon Timeline

Apply and Compete for Financial Prizes and Perks including SandBox Innovation

### ACADEMIC PARTNERS

Submission: is OPEN till 30/10/2022

Website for application:  
[shsc.sa](http://shsc.sa)

# SIMULATION RESEARCH INCUBATOR COMPETITION

## Introduction:

The 5th Saudi Health Simulation Conference 2022 (SHSC 22) is pleased to announce an opportunity for outstanding research proposals aimed at improving the safety of healthcare delivery through simulation to receive development, testing, evaluation, and publication support.

We are looking for applications that address a wide range of clinical settings in order to reveal to providers, health educators, payers, policymakers, patients, and the general public the efficacy of simulation in improving patient safety.

## Suggested Research Topics:

- ☆ Technical Skills
- ☆ Team Performance
- ☆ System Performance
- ☆ Methodological Issues
- ☆ Educational and Training Issues
- ☆ Accreditation and Certification
- ☆ Emerging Technologies

## Eligible Individuals (Principal Investigator)

Any individual(s) with the skills, knowledge, experience, and resources necessary to carry out the proposed research as the Principal Investigator (PD/PI) are welcome to collaborate with their organization to develop an application for support.

1 st place is	15.000 SR
2 st place is	10.000 SR
3 st place is	5000 SR
4 st place is	5000 SR
5 st place is	5000 SR

In addition to the above awards, the researchers will be supported by experts who will provide various service

## ACADEMIC PARTNERS

Website for application:  
shsc.sa

In collaboration with:  
General Directorate of Research & Studies  
Ministry of Health  
Submission is OPEN till 30/10/2022

Sponsored by:  
MEDICAL RESEARCHES

CO.

# SUCCESSFUL STORIES

**A Powerful story**  
that leaves a lasting  
impression!

Many of us have a story of success in simulation. Your story can make a change and improve healthcare systems. Your story can inspire us all to strive for the best in the world of medical simulation!

Whether you have just started your simulation career, or you are an expert in this amazing field of simulation, you must have a story to share about your success. Let us hear you and honor your efforts in making this world better

Submit a short video about your story  
and apply today for a chance to win prizes!

01	5000 SR
02	3000 SR
03	2000 SR
04	1000 SR
05	1000 SR
