

SAUDI BOARD RESIDENCY TRAINING PROGRAM

CLINICAL PHARMACY

Final Examination

Written Examination:

Exam Format:

A Saudi board final specialty written examination shall consist of one paper each with 80-120 single best answer Multiple Choice Questions (MCQs). Up to 10% unscored MSQs can be added for calibration purposes.

Passing Score:

The passing score is 70%. However, if the percentage of candidates passing the examination before final approval is less than 70%, the passing score must be lowered by one mark at a time aiming at achieving 70% passing rate or 65% passing score whichever comes first. Under no circumstances can the passing score be reduced below 65%.
