

SAUDI FELLOWSHIP TRAINING PROGRAM

CARDIOTHORACIC RADIOLOGY

Final Examination

Exam Format:

A Saudi fellowship final specialty written examination shall consist of one paper with 80-120 single best answer Multiple Choice Questions (MCQs). Up to 10% unscored MSQs can be added for calibration purposes.

Passing Score:

The passing score is 70%. If the percentage of candidates passing the examination before final approval is less than 70%, the passing score must be lowered by one mark at a time aiming at achieving 70% passing rate or 65% passing score whichever comes first. Under no circumstances can the passing score be reduced below 65%.

Suggested References:

1. Chest Radiology the Essential by Jannette Collins
2. Core Radiology by Jacob Mandell
3. Multiple other chest and cardiac References
4. Practice knowledge and experience during fellowship

Note:

This list is intended for use as a study aid only. SCFHS does not intend the list to imply endorsement of these specific references, nor are the exam questions necessarily taken solely from these sources.
